Next Energy Wise Seminar: Mold and Mildew

June 1, 2012—"Mold & Mildew: What Homeowners Should Know" is the topic at the next Energy Wise Seminar hosted by the City of Deltona and Volusia County. The seminar will begin at 3 p.m., June 15, in the Scrub Jay Room of the Deltona Regional Library, 2150 Eustace Ave.

The Energy Wise Seminar series was designed to educate residents on how to save money through energy conservation. Seating is often limited so pre-registering by e-mailing energy@deltonafl.gov is encouraged. Attendees will receive a free LED light bulb for their attendance.
